Lieutenant General A. C. Wedemeyer
Director, Plans and Operations
Department of the Army
National Defense Building
Washington, D. C.

Dear Al:

Thank you for your note dated 30 April recommending [] for service with us.

We have talked with [] before and have had his application on file for a considerable period on the possibility that something might turn up where we could use him. A possibility did occur last month which we are investigating further. Your recommendation, of course, will have weight in our decision.

I am always pleased to have good people brought to our attention, and appreciate your interest in assisting us in this case.

Sincerely,

SIGNED

R. H. HILLENKOETTER
Rear Admiral, USN
Director of Central Intelligence
